Broker name	Premco Underwriting
Product name	Excess of Loss
Reference/UMR [Binder]	B1053BA23114
Reference [Class of Business]	Liability
Date	November 2024

Manufacturer Information

Product information

This insurance product is designed for customers who require a higher limit of indemnity for public and products liability. The target market is firms who construct, manufacture, wholesale, distribute and retail products. This policy wording is reviewed at least annually in the first instance by Premco Underwriting and subsequently by the insurance carriers.

Premco Underwriting is considered a joint manufacturer of this insurance policy.

The product covers liabilities in excess of £5,000,000 up to £15,000,000.

We recommend risks are submitted by distributors with the information contained in our Premco application form.

Target market

This product is intended for commercial businesses, including micro-enterprises and small businesses.

Types of customer for whom the product would be unsuitable

Any customer type not detailed above.

Any notable exclusions or circumstances where the product will not respond

The product sales literature includes a relevant policy summary highlighting significant exclusions and circumstances under which the policy will not respond.

Policy wordings and policy summaries should be provided with each quotation and are readily available from Premco.

Cover will not be provided if any of the Conditions Precedent included in the insurance contract, subject to the provisions of the Insurance Act, have not been satisfied.

Other information which may be relevant to distributors

Premco provides this product on a non-advised basis.
