Several Liability Clause

The liability of an insurer under this contract is several and not joint with other insurers party to this contract. An insurer is liable only for the proportion of liability it has underwritten. An insurer is not jointly liable for the proportion of liability underwritten by any other insurer. Nor is an insurer otherwise responsible for any liability of any other insurer that underwrites this contract. The proportion of liability under this contract underwritten by an insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown in this contract. In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other insurer that underwrites this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion can be obtained by writing to Market Services, Lloyd's, at the above address. Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this must be read as a reference to contracts in the plural.

Customer service information

This Introduction, the Customer service information, the General definitions, General conditions, General exclusions, Sections, Section extensions, the **schedule** and any endorsements all form part of this insurance policy.

IMPORTANT REMINDER

It is important that:

- **You** check that the information **you** have given **us** is accurate and up to date – See the Customer service information section for more details.
- **You** read the policy and understand its contents, if **you** do not understand any aspect please contact **your** insurance advisor.
- **You** comply with **your** duties under each section and under the insurance as a whole.
- **You** check that the sections **you** have requested are included in the **schedule**.

This policy must be kept in a safe place. **You** will need to refer to it if **you** have to make a claim.

This section contains important information about how **we** will deal with claims under this policy and the information **you** have given us.

Information you have given us

In deciding to accept this policy and in setting the terms and premium, **we** have relied on the information **you**, or **your** appointed agent acting on **your** behalf, have given **us**. **You** must take care when answering any questions, **we** ask by ensuring that all information provided is accurate and complete.

If **we** establish that **you** deliberately or recklessly provided **us** with false or misleading information, **we** will treat **your** policy as if it never existed and decline all claims. **We** are entitled to keep any premium already paid by **you** in this situation.

If **we** establish that **you** provided **us** with false, incomplete, or misleading information, but this was neither deliberate nor reckless, it can adversely affect **your** policy and any claim.

For example:

- Where **we** could have accepted the risk and offered **you** an insurance policy, but **we** would have charged a higher premium, **we** will only pay a percentage of any claim that **you** make under the policy. **We** would do this by considering the premium **we** charged as a percentage of the higher premium **we** would have charged and then paying **you** the equivalent percentage of any claim.

So, as an example: if the premium **we** actually charged was £250 (two hundred and fifty pounds) and the higher premium **we** would have charged was £1,000 (one thousand pounds), then the premium **we** actually charged represents twenty five percent of the higher premium **we** would have charged, and **we** will only pay 25% (twenty five percent) of any claim.

- **We** will treat this policy as if it had never existed and refuse to pay all claims and return the premium. **We** will only do this if the false, incomplete, or misleading information means that **we** provided **you** with insurance cover when **we** would not otherwise have offered it at all had the risk been fairly presented.
- If **we** would have written the risk on different terms had it been fairly presented, **we** will amend the policy to include these terms. **We** will apply these amended terms as if they were already in place before a claim is made.
- **We** can cancel **your** policy in accordance with its cancellation provisions.

We will write to **you** if **we**:

- intend to treat **your** policy as if it never existed; or
- amend the terms of **your** policy; or
- reduce **your** claim in accordance with the above.

If **you** become aware that information **you** have given **us** is inaccurate or incomplete, **you** must inform **us** without delay.

- 3.3. Would, if complied with, tend to reduce particular types of injury, loss, damage or liability, **we** will pay for any claim where **you** show on the balance of probabilities that non-compliance with the condition precedent did not cause or contribute to the injury, loss, damage or liability which occurred.

4. Care and prevention

It is a condition of this insurance that **you** take all care to prevent accidents and to maintain and keep in proper repair **your** **premises**, plant and everything used in the **business**. **You** must make good or remedy any defect or danger which becomes apparent, and take such additional precautions as the circumstances could require. **You** must also take all care to act in accordance with all statutory obligations and regulations and to employ only competent **employees**. This will be calculated on a proportional basis. For example, if **you** have been covered for six (6) months, the deduction for the time **you** have been covered will be half the annual premium, subject to a deduction for any commission paid to **your** insurance broker. If **we** have paid any claim, or part of any claim, or a payment is pending to **you** in respect of a claim then no refund of premium will be given.

General conditions

Excess

An **excess** applies to the covers under this section as shown in the **schedule**.

Conditions

The following are conditions of the insurance that you need to meet as your part of this contract to which this endorsement attaches. If you do not meet any of these conditions and that either causes a claim or contributes to a claim, we can reject that claim or payment in respect of that claim could be reduced.

1. Electrical circuits condition

It is a condition precedent to our liability that all electrical circuits are tested at least every five years by qualified electrical engineers and that any defects identified are remedied in accordance with the regulations of the Institute of Electrical Engineers.

2. Rebuilding on another site

The buildings can be wholly or partially rebuilt upon another site and in any manner suitable to your requirements provided that it does not increase our liability.

3. Delays in rebuilding

We will not be liable for increases in costs attributable to unreasonable delays in rebuilding or restoring or complying with any regulations or requirements of a public authority or other statutory requirements unless such delays are wholly outside your control.

4. Our option to rebuild

We can at **our** option rebuild or restore the **buildings** destroyed or portions damaged but without being bound to rebuild or restore the property exactly or completely and only as circumstances permit and in reasonably sufficient manner. **You** will at **your** own expense produce and give to **us** all such plans, documents, books and information as **we** require.

5. Condition of average (underinsurance)

The sum insured by each item of this section (other than those applying solely to fees, removal of debris or private dwelling houses) is declared to be separately subject to average.

If, at the time **damage** occurs, the total of the declared value by all **buildings** insured is less than the insurable amount then the amount otherwise payable will be proportionately reduced;

5.1. **declared value** means the base value shown in the schedule excluding any provision for inflation but if the loss is settled under the Inflation provision (Day 1) clause, the declared value will be 130% of the base value;

5.2. the insurable amount will be the total of the Day one rebuilding value of all **buildings** insured;

5.3. **Day one rebuilding value** means the total cost of reinstating the **buildings** insured to a condition substantially the same as when new at the level of costs applying at the beginning of the **period of insurance** in which the **damage** occurred.

6. Seventy two hour provision

In respect of covers 5 - Storm, 6 - Flood, 7 - Escape of water or oil and 8 - Accidental escape of water from a sprinkler installation only, **damage** occurring continuously or intermittently during any period of seventy two hours will be deemed to constitute one loss at each separate **premises** for the purpose of the application of the **excess**.

7. Reinstatement

Subject to the following special conditions, the basis upon which the amount payable in respect of **buildings** and **landlords' contents** is to be calculated will be the reinstatement of the property lost, destroyed or damaged.

For this purpose "reinstatement" means

7.1. the rebuilding or replacement of property lost or destroyed which, provided **our** liability is not increased, may be carried out;

7.1.1. in any manner suitable to **your** requirements; or

7.1.2. upon another site; or

Section 1 – Property damage

7.2. the repair or restoration of property damaged;

in either case to a condition equivalent to or substantially the same as but not better or more extensive than its condition when new.

However

7.3. **our** liability for the repair or restoration of property damaged in part only will not exceed the amount which would have been payable had such property been wholly destroyed; and

7.4. no payment beyond the amount which would have been payable in the absence of this condition will be made;

7.4.1. unless reinstatement commences and proceeds without unreasonable delay;

7.4.2. until the cost of reinstatement has been incurred; or

7.4.3. if the **property insured** at the time of its **damage** is insured by any other insurance effected by or on **your** behalf which is not upon the same basis of reinstatement.

All other terms and conditions of the policy will apply;

7.5. in respect of any claim payable under the provisions of this condition; or

7.6. where claims are payable as if this condition had not been incorporated; and

7.7. if at the time of reinstatement, the sum representing 85% of the cost which would have been incurred in reinstating the whole of the property covered by any item subject to this condition exceeds its sum insured at the commencement of any **damage** then the property is underinsured. If the property is underinsured **our** liability will not exceed that proportion of the amount of the **damage** which said sum insured bears to the sum representing the total cost of reinstating the whole of such property at that time.

Paragraph 7.7 above does not apply to **buildings** and contents indicated in the schedule to be indexed linked.

Optional conditions

*(These apply only if stated in the **schedule**)*

8. Day one basis (non-adjustable)

The insurance by the item(s) indicated in the **schedule** is subject to the following

8.1. The premium on each item has been calculated on the **declared value** calculated by **you**.

Declared value means **your** assessment of the cost of reinstatement of the **property insured** in a condition equal to but not better or more extensive than when new at the level of costs applying at the inception of the **period of insurance** (ignoring inflationary factors which can operate subsequently) together with allowance if required for

8.1.1. the additional cost of reinstatement to comply with public authority requirements; and

8.1.2. professional fees; and

8.1.3. debris removal costs.

8.2. At the beginning of each **period of insurance**, **you** must notify **us** of the **declared value** of the **property insured** by each of the item(s). In the absence of a declaration, **we** will take the last amount declared by **you** as the **declared value** for the next **period of insurance**.

8.3. Item 7.7 of the Reinstatement condition 7 is restated as follows;

8.3.1. if at the time of **damage** the declared value of the **property** covered by such item is less than the cost of the reinstatement at the inception of the **period of insurance**, **our** liability for the **damage** will not exceed that proportion which the declared value bears to the cost of reinstatement.

8.3.2. all the other terms and conditions of the policy will apply in respect of any claim payable under this condition so far as they are able, except, where claims are payable as if this condition had not been incorporated the sum(s) insured will be limited to 115% (one hundred and fifteen per cent) of the declared value(s).

9.1.1. the additional cost of reinstatement to comply with public authority requirements; and

9.1.2. professional fees; and

9.1.3. debris removal costs.

9.2. At the beginning of each **period of insurance**, **you** must notify **us** of the **declared value** of the **property insured** by each of the item(s). In the absence of a declaration, **we** will take the last amount declared by **you** as the **declared value** for the next **period of insurance**.

9.3. The premium calculated on the items is provisional. On expiry of each **period of insurance**, **we** will adjust the premium by 50% (fifty per cent) of the difference between

9.3.1. the provisional premium at the beginning of the **period of insurance**; and

9.3.2. the premium calculated for the subsequent **period of insurance**

based on the terms which have applied during the period under adjustment.

9.4. For the purpose of paragraph 9.3 of this condition

9.4.1. if **you** cancel or do not renew the policy or any of the items, **you** must tell **us** the declared value of the **property insured** by each of the item(s) which apply at the date of cancellation or non-renewal;

Section 1 – Property damage

- 9.4.2. if **property** has not been reinstated following **damage**, **you** must tell **us** the declared value as though the **property** had not been **damaged**;

 - 9.5.1. if at the time of **damage** the **declared value** of the **property** covered by such item is less than the cost of the reinstatement at the inception of the **period of insurance**, then **our** liability for the **damage** will not exceed that proportion which the declared value bears to the cost of reinstatement;
 - 9.5.2. all the other terms and conditions of the policy will apply in respect of any claim payable under this condition so far as they are able except that where claims are payable as if this clause had not been incorporated the sum(s) insured will be limited to 102% (one hundred and two per cent) of the declared value(s).

Where **you** are required to effect insurance on the **buildings** in the joint names of **yourselves** and the contractor under the terms of a contract condition, then the interest of the contractor in the **buildings** as a joint insured is noted, subject to details of any single contract valued in excess of £100,000 (one hundred thousand pounds) having been advised to **us** before work commences and an additional premium being paid as appropriate.

Insuring clause

Covers 1, 2 and 3 (below) are only insured where a limit of liability for each such cover is stated (rather than the words 'not insured' or 'not operative') in the **schedule**.

Cover 1 – Directors and officers liability

We will pay on behalf of the **insured** any loss resulting from any claim which is first made against the **insured** during the **period of insurance** and notified to **us** in accordance with the terms applying to this section, except when, and to the extent, that the **company** has indemnified the **insured**.

Cover 2 – Company reimbursement liability

We will pay on behalf of the **company** any loss resulting from any **claim** which is first made against an **insured** during the **period of insurance** and notified to **us** in accordance with the terms applying to this section, but only when, and to the extent, that the **company** has indemnified the **insured**.

Limit of liability

Our total aggregate liability under this section will not exceed the section 5 Aggregate limit of liability stated in the **schedule**, and this amount will be inclusive of defence costs.

Conditions

The following are conditions of the insurance that you need to meet as your part of this contract to which this endorsement attaches. If you do not meet any of these conditions and that either causes a claim or contributes to a claim, we can reject that claim or payment in respect of that claim could be reduced.

1. Discovery period condition

If we refuse to renew this section, the **insured** has the right to purchase, upon payment of an additional premium calculated as 100% (one hundred per cent) of the Section 5 premium shown in the **schedule**, to an extension of the cover granted by this section in respect of any **wrongful act** committed or alleged to have been committed prior to the expiry date of this section provided that this right is exercised by written notice and payment of the additional premium to **us** within ten (10) days of cessation of this section.

It is understood and agreed that

- 1.1. the insurance provided by the **discovery period** will be for a period of 365 (three hundred and sixty-five) days beginning from the expiry date of this section; and
- 1.2. the quotation by **us** of different premiums, terms, conditions, limitations, exclusions or section 5 Aggregate limit of liability or sublimit at renewal does not constitute a refusal to renew; and
- 1.3. this extension will only be granted provided the **insured** effect Directors or officers liability insurance or similar insurance, with any other insurer or underwriter or other similar entity;
- 1.4. the section 5 Aggregate limit of liability stated in the **schedule** will not be increased in any way by the provisions of this **discovery period**.

2. Severability

- 2.1. the proposal form and/or statement of agreed facts and/or other information provided by **you** or on **your** behalf will be construed as a separate application by each **insured**.

With respect to the proposal form and/or statement of agreed facts and/or other information provided by **you** or on **your** behalf, no statements contained in such or knowledge possessed by any **insured** or the **company** will be imputed to any other **insured** for the purpose of determining the availability of any payment for loss arising from a **claim** made against any **insured**.

- 2.2. For the purpose of determining the applicability of any exclusions, the **wrongful act** of any **insured** or the **company** will not be imputed to any other **insured**.

3. Company authorisation

The **company** will act on behalf of all **insureds** with respect to the giving and receiving of notice under this section, including but not limited to the giving of notice of any **claim**, the payment of premiums, the receipt and acceptance of any endorsements, and the exercising or declining to exercise any right to the grant of a **discovery period**.

4. Takeover

In the event of a **takeover**, any coverage under this section with respect to **loss** arising from a **claim** will apply only to any **loss** by reason of **wrongful acts** committed by an **insured** prior to the date of such **takeover**.

5. Territory

This section will apply to **claims** wherever made, based upon acts occurring anywhere in the world other than the United States of America or Canada.

6. Governing law and jurisdiction

The construction, validity, performance and interpretation of this section will be governed by the laws of England and Wales and the parties agree to submit to the exclusive jurisdiction of the Courts of England and Wales.

Section 5 – Directors and Officers liability

7. Avoidance

In the event that **we** are entitled to avoid this section or this policy in its entirety, **we** can at our election instead give notice in writing to the **insured** and the **company** that we regard this section as of full force and effect except that **we** will exclude from any payment any **loss** which has arisen or which could arise and which is related to the circumstances which entitle **us** to avoid this section or the policy. This section will then continue in full force and effect but will be deemed to exclude the particular **loss** referred to in the said notice (as if the same had been specifically endorsed when the policy was issued).

5.2. Under Cover 1 (Directors and officers liability) **we** will, to the fullest extent permissible by law, advance **defence costs** prior to the final settlement of the **claim**, unless such **defence costs** have been advanced by the **company**.

5.3. Under Cover 2 (Company reimbursement liability) **we** will, to the fullest extent permissible by law, advance **defence costs** prior to the final settlement of the claim.

Such advance payments of **defence costs** as referred to in paragraphs b) and c) (above) will be repayable to **us** by the **insureds** according to their respective interests, in the event and to the extent that it is determined that they will not be entitled under this section to payment of such **defence costs**.
